Math 16A class homepage
* http://www.math.ucdavis.edu/~xiaoh/16a

Textbook
* Sections covered: 1.1-1.6, 2.1-2.8, 8.1-8.4, 3.1-3.4, 3.6-3.8.

Prerequisite
* All students enrolling in Math 16A are required to satisfy the Math Placement Requirement.
* The last testing window for the winter quarter will be January 4 (noon) - January 7 (3pm).
* The test is to be done online. Please read instructions at http://www.math.ucdavis.edu/undergrad/math_placement and follow links there.
* You will be dropped from this class if you have not satisfied the requirement by the end of this testing period.

Exams
* There will be three midterm exams on Jan 26 (Wed), Feb 11 (Fri) and Mar 2 (Wed), respectively.
* There will be a final exam on Mar 18 at 10:30am -12:30pm.
* No make-up exams are given. A missed exam is zero points.

Course Grade Calculation
* Each exam counts toward 20% of your grade, and the final counts toward 40% of your grade.
‡ In other words, if you receive 80, 85, 90, 90, 105 for your exams, your course grade will be

\[
80 \times 0.2 + 85 \times 0.2 + 90 \times 0.2 + 90 \times 0.2 + 105 \times 0.4 = 91
\]

Homework Assignments
* Homework will be assigned at each class, but will not be collected.
* Homework solutions will be posted at the course website throughout the quarter.
* Supplementary class handouts, practice exams and solutions, etc., will also be posted and updated at the class homepage throughout the quarter.

* It’s your responsibility to do your homeworks and make sure that you are doing them right. You should feel free to ask for help from the instructor, the TAs and your peers when it is needed.
